Remember—these soles are created by science to be what soles should be. They are comfortable and waterproof—as well as long-wearing. WORTH \$50.00 A BOTTLE

Wm. Barnes, San Antonio, Tex., writes: "Foley's Honey and Tar is the best cough remedy in the world. It has been worth \$50 a bottle to me. I had the flu followed by pneumonia, which left me weak, with a persistent cough. I needed rest and sleep, which I was unable to get. Some one advised Foley's Honey and Tar. I began taking it that very night. Before bed time I noticed relief, and that night had a sound sleep and perfect night's rest. The first time since the beginning of the flu. I have completely recovered and do not cough at all. It cost me only \$1.20 to cure that obstinate cough with Foley's Honey and Tar."
